In the interests of judicial economy, and to facilitate an efficient use of the Court's and the Parties' time in advance of and during the trial scheduled to begin on December 3, 2012, for the above-captioned matter (the "December Trial"),

IT IS HEREBY STIPULATED by Plaintiffs the United States of America and the State of Wisconsin (collectively, "Plaintiffs"), and Defendants NCR Corporation ("NCR"), the Georgia-Pacific Defendants,¹ P.H. Glatfelter Company, WTM I Company,

¹ The "Georgia-Pacific Defendants" refers to Defendants Georgia-Pacific Consumer Products LP (f/k/a Fort James Operating Company), Fort James Corporation and Georgia-Pacific LLC.

CBC Coating, Inc., U.S. Paper Mills Corp., Menasha Corp., City of Appleton and Neenah-Menasha Sewerage Commission (collectively, “Defendants”), as follows:

1. **Stipulated Facts:** On or before Tuesday, November 13, 2012, Plaintiffs and Defendants, individually or collectively,² shall exchange, by email, proposed stipulated facts related to any issues subject to adjudication at the December Trial (the “Trial Issues”). On or before Tuesday, November 20, 2012, Plaintiffs and Defendants shall exchange, by email, responses to the opposing Parties’ proposed stipulated facts. On or before Monday, November 26, 2012, Plaintiffs and Defendants shall jointly file, as part of the Initial Pretrial Report, any facts to which Plaintiffs and Defendants are willing to stipulate.³

2. **Expected Trial Witness Lists:** On or before Friday, November 9, 2012, Plaintiffs and Defendants shall exchange, by email, witness lists, which shall be limited in good faith to only those witnesses whose live testimony (or deposition testimony in lieu of live testimony) Plaintiffs and Defendants expect to present during the December Trial. If either side plans to supplement its list after Friday, November 9, 2012, as a result of the responses to the proposed stipulated facts (*see* Paragraph 1) or for any other reason, it shall promptly notify the other side.

² Unless otherwise specified, all references to “Defendants” herein shall mean “Defendants, individually or collectively”. All references to the “Other Defendants” shall mean all stipulating Defendants other than NCR.

³ If a fact pertains to only one Defendant (or a subset of the Defendants), then Plaintiffs need only obtain agreement from that Defendant (or subset of the Defendants) to include the stipulated fact in the Pretrial Report, provided, however, that if another Defendant objects to that fact, it shall be noted in the stipulation.

3. **Use of Deposition Testimony:**

(A) Witnesses within the subpoena power of the Court can be presented by deposition testimony in lieu of live testimony pursuant to the agreement of all Parties. If a Party lists a witness within the subpoena power of the Court as being presented by deposition, other Parties have the right to object on or before Monday, November 19, 2012. If an objection is made, the witness must be called live, if at all, pursuant to the Federal Rules.

(B) The Parties may designate testimony from depositions and trial testimony taken in *Appleton Papers Inc., et al. v. George A. Whiting Paper Co.*, No. 08-cv-16 (E.D. Wis.).

4. **Motions in Limine:** On or before Tuesday, November 20, 2012, all motions *in limine* shall be filed; any response shall be filed seven days after a motion is filed. Parties shall not file a reply brief to any motion *in limine*, unless requested by the Court.

5. **Joint Initial Pretrial Report:** Plaintiffs shall provide a draft of the Joint Initial Pretrial Report to Defendants, by email, on or before Wednesday, November 14, 2012. Defendants shall incorporate their sections into the Report and provide any other comments to Plaintiffs on or before Wednesday, November 21, 2012. Plaintiffs and Defendants shall then meet and confer about the Report as needed. On or before Monday, November 26, 2012, Plaintiffs and Defendants shall jointly file

the Report. The Report shall include the following, pursuant to Civil L. R. 16(c), as amended by agreement of Plaintiffs and Defendants:

(A) A concise summary, not to exceed four pages, of the facts, claims and defenses. Plaintiffs and Defendants shall work in good faith to prepare a joint summary. If agreement cannot be reached, Plaintiffs and Defendants shall have the option of preparing separate summaries, not to exceed two pages for Plaintiffs, two pages for NCR and two pages for the Other Defendants (collectively);

(B) A concise statement of the issues, not to exceed two pages. Plaintiffs and Defendants shall work in good faith to prepare a joint statement. If agreement cannot be reached, Plaintiffs and Defendants shall have the option of preparing separate statements, not to exceed one page for Plaintiffs, one page for NCR and one page for the Other Defendants (collectively);

(C) A list of stipulated facts, if any;

(D) The names and addresses of all witnesses expected to testify. Any witness not listed will not be permitted to testify absent a showing of good cause; and

- i. Plaintiffs may present any witness during trial who appears on their list or on any other Party's list;
- ii. Defendants may present any witness during trial who appears on their list(s) or any other Party's list;

(E) A concise statement of the background of all expert witnesses listed;

(A) Designations, counter-designations and counter-counter designations, along with any objections to those designations, of all depositions or portions of transcripts or other recordings of depositions to be offered in evidence as part of this trial; and

(B) A list of the intended trial exhibits, which shall be numbered as set forth in Paragraph 8, along with any objections to those exhibits.

7. **Deposition Designations:** The schedule for exchanging deposition designations shall be as follows:

(A) On or before Wednesday, November 14, 2012, Plaintiffs and Defendants shall exchange, by email, initial deposition designations;⁴

(B) On or before Wednesday, November 21, 2012, Plaintiffs and Defendants shall exchange, by email, counter-designations and objections;

⁴ For any depositions with transcripts unavailable before November 12, 2012, deposition designations may be exchanged within two days of receipt of the final transcript and counter-designations shall be exchanged within two days of the receipt of a deposition designation. All Parties reserve the right to object to these designations (or any other designations) on hearsay or other grounds supported by the Federal rules.

(C) On or before Monday, November 26, 2012, Plaintiffs and Defendants shall exchange, by email, counter-counter designations and counter-objections; and

(D) The Parties shall provide the list of all designations, counter-designations and counter-counter designations, along with any objections to those designations, of all depositions or portions of transcripts or other recordings of depositions to be offered in evidence as part of this trial as part of the Supplemental Pretrial Report.⁵ The Parties shall also provide the Court with an electronic copy of these designations and objections in advance of or at the Pretrial Conference.

start of testimony and furnish the Clerk with a list of exhibits that are in dispute;

- iv. At the close of trial, all exhibits shall be placed on DVDs in PDF format with each exhibit in 10 MB increments. If the exhibit is large it will have to be broken down to 10 MB or less because that is the requirement of the Court of Appeals. The Parties shall provide the Court with a signed certification that all exhibits contained on the DVD are the original exhibits that were received into evidence by the Court. The certification must accompany the DVD with the exhibits and exhibit list in PDF format;

(C) The Parties hereby agree that Exhibits 1 through 2,000 are the documents that comprise the Site Administrative Record and the UAO Administrative Record (the “AR Documents”). The Parties further agree that the AR Documents are admissible for purposes of adjudicating whether the selection of the response action required by the UAO was arbitrary, capricious or otherwise not in accordance with law,⁸ subject to the reservation set forth in Paragraph 8(E). In creating their respective exhibit lists, the

⁸ If any Party offers one of the AR Documents at trial for a purpose other than adjudicating whether the selection of the response action required by the UAO was arbitrary, capricious or otherwise not in accordance with law, then other Parties reserve the right to object at trial to the admissibility of that Document on any grounds.

Parties shall use their best efforts to exclude the AR Documents from their respective exhibit lists;

(D) Plaintiffs shall start their exhibit numbering at 2,000. NCR shall start its exhibit numbering at 4,000. The Other Defendants (collectively) shall start their exhibit numbering at 6,000 and may further divide up exhibit numbers in excess of 6,000 among themselves as needed;

(E) All unobjected-to intended trial exhibits listed by the Parties shall be deemed admitted when offered by either side during trial. Notwithstanding the foregoing, Plaintiffs and Defendants agree that objections based solely on relevance are reserved for trial and need not be asserted as set forth above;

(F) Subject to any objections, Plaintiffs may offer any exhibit during trial that appears on their list or on any other Party's list;

(G) Subject to any objections, Defendants may offer any exhibit during trial that appears on their list(s) or on any other Party's list; and

(H) Demonstratives do not need to be included on the lists of intended trial exhibits.
